President

European Institute of Management and Technology GmbH

Bahnhofplatz , 6300, Zug

Switzerland

Dear President:

The Accreditation Council of the Diplomatic Research and Policy Foundation (DRPF) met on April 18, 2023, and I am pleased to inform you that the following accreditation status has been granted: The European Institute of management and Technology GmbH is granted accreditation for Two years. The accreditation certificate will be dispatched to you within the 30 days.

No observations were made by the Board of Commissioners.

Additionally, upon completion of the review the Board of Commissioners voted to not require an on-site follow-up visit.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the DRPF is dependent upon your institution remaining.

- (i) in good standing with your institutional accrediting body and
- (ii) in compliance with the DRPF's Accreditation Principles and Policies.

Your Approved Period of Accreditation is April 28, 2023 – April 28, 2025

In addition to the annual compliance reports, all accredited members of the DRPF are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the European Institute of Management and Technology GmbH will be due by October 16, 2023.

The European Institute of Management and Technology GmbH will be publicly recognized for achieving accreditation at the 2023 DRPF Annual Conference and Assembly Meeting to be held November 2023. We very much look forward to seeing you there.

We encourage the faculty in the European Institute of Management and Technology GmbH to be actively involved in the DRPF's professional development programs and activities, including participation in the DRPF's Annual Conference and Assembly Meetings, regional conferences, and workshops, and serving as site-visit team peer reviewers.
